

# Homesteading Day Schedule July 27

The Farm at Prophetstown is the perfect setting to learn about homesteading arts and small farm animal care; after all, that's how things were done on a 1920s Farm. Join us Saturday for classes related to homesteading. All classes start on the hour and will take place across various locations on the farm.

Schedule 7/27	Activities
10:00am	Beekeeping Basics Dave & Nancy Sattler
11:00am	Walky Duck: Kids Activity (pre-registration & \$5 fee) Jill Blackwell
12:00pm	Lunch (Lunch items will be for sale on the farm)
1:00pm	Natural Dyes Jenna Parks Freeman, Interpretive Naturalist, Prophetstown State Park
